<p>PERSONAL DEVELOPMENT COURSE</p> <p>LEADERSHIP LEGACY</p>	<p>The ChoiceCenter Personal Development courses are an opportunity to uncover and redesign the underlying assumptions out of which you live your life such that you experience a profound shift in your ability to relate to yourself and others, empowering you to fully engage your heartfelt commitments with freedom and passion.</p> <p>Personal Development is one course divided into two modules: <i>Discovery and Breakthrough</i>. <i>Discovery</i> is an experiential workshop in which you have an opportunity to discover the underlying beliefs and views that determine your experience and results in life. You will begin choosing behaviors and actions consistent with your vision for your life. <i>Breakthrough</i> is an intensive, breakthrough-oriented workshop where you will have an opportunity to overcome your past and present circumstances in order to accomplish the extraordinary.</p> <p>Leadership Legacy is where you learn to translate the learning and tools of Discovery and Breakthrough into your life. Your life literally becomes the classroom as you receive daily personal coaching on how to create extraordinary results by achieving goals you design by authoring a personal strategic plan. With your team and your coach, you will bring into reality what may now seem impossible as you master the principles by which great leaders live.</p> <p><i>Prerequisite:</i> Completion of the Personal Development Course; 18 years old and over.</p>
